Face it alone · Queen

mim lam Sol Si/Si7

mim When something so near
mim and dear to life
lam explodes inside
Sol you feel your soul
Si is set on fire

mim When something so deep
mim and so far and wide
lam falls down beside
Sol your cries can be heard
Si so loud and clear

Sol Your life is your own
Re you're in charge of yourself
Do master of your home
mim/Re La/Do in the end, in the end
Si mim you have to face it all alone

mim lam Sol Si

mim When something so dear to your life
