

Forever young · Alphaville

Do Sol lam Let's start in style, let's dance for a while
Fa Sol heaven can wait we're only watching the skies
lam Fa hoping for the best, but expecting the worst
Sol6 are you gonna drop the bomb or not'
Fa7-Sol6 Do

Let us stay young or let us live forever
we don't have power, but we never say never
sitting in the sandpit, life is a short trip
the music's for the sadman

Can you imagine when this race is won
turn out all the faces into the sun
praising our leaders, we're getting in tune
the music's played by the madman

Do Sol Forever young
lam Fa i want to be forever young
Sol lam do you really want to live forever'
Fa Sol forever, you'll never
Do Sol Forever young
lam Fa i want to be forever young
Sol lam do you really want to live forever'
Fa Sol Do forever young

Some are like water, some are like the heat
some are a melody and some are the beat
sooner or later they all will be gone
why don't they stay young'

It's so hard to get old without a cause
i don't want to perish like a fading horse
years like diamonds in the sun
and diamonds are forever

So many advantages given up today

so many songs we forgot to play
so many dreams swinging out of the blue
oh let it come true

Forever young...
