

Every breath you take · The police

Sol every breath you take,
mim every move you make
Do every bond you break,
Re every step you take,
Sol I'll be watching you

every single day,
every word you say,
every game you play,
every night you stay
I'll be watching you

Do oh, can't you see
Sol you belong to me
lam how my poor hearts aches
Re with every step you take

every move you make,
every vow you break,
every smile you fake,
every claim you stake,
I'll be watching you

Do since you've gone I been lost
Re without a trace,
I dream at night and I can only
Do see your face
I look around but it's you
Re I can't replace,
I feel so cold and I love
Do for your embrace
La I keep crying, baby, baby, please!
