

Dream a little dream of me · Fabian Andre

Do Si7 Lab Sol Stars shining bright above you
Do Si7 La La7 night breezes seem to whisper I love you
Fa fam birds singing in the sycamore tree
Do Lab Sol dream a little dream of me

Do Si7 Lab Sol Say nighty-night and kiss me
Do Si7 La La7 just hold me tight and tell me you'll miss me
Fa fam while I'm alone, blue as can be
Do Lab Sol dream a little dream of me

La Fa# sim Mi Stars fading but I linger on, dear
La Fa# sim Mi Still craving your kiss
La Fa# sim Mi I'm longing to linger till dawn, dear
La Fa# Lab Sol Just saying this...

Do Si7 Lab Sol Sweet dreams till sunbeams find you
Do Si7 La La7 sweet dreams that leave all worries behind you
Fa fam but in your dreams, whatever they be
Do Lab Sol dream a little dream of me

La Fa# sim Mi Stars fading but I linger on, dear
La Fa# sim Mi still craving your kiss
La Fa# sim Mi I'm longing to linger till dawn, dear
La Fa# Lab Sol just saying this...

Do Si7 Lab Sol Sweet dreams till sunbeams find you
Do Si7 La La7 sweet dreams that leave all worries far behind you
Fa fam but in your dreams, whatever they be
Do Lab Sol dream a little dream of me
