

Nothing else matters · Metallica

mim Re Do So close no matter how far
mim Re Do Couldn't be much more from the heart
mim Re Do Forever trusting who we are
Sol Si7 mim And nothing else matters

mim Re Do Never opened myself this way
mim Re Do Life is ours, we live it our way
mim Re Do All these words I don't just say
Sol Si7 mim And nothing else matters

mim Re Do Trust I seek and find in you
mim Re Do Every day for us something new
mim Re Do Open mind for a different view
Sol Si7 mim And nothing else matters

Do La Re Do Never cared for what they do
La Re Do Never cared for what they know
La Re mim But I know

So close no matter...
Never cared for what...
Never opened myself...
Trust I seek and find...

Do La Re Do Never cared for what they say
La Re Do Never cared for what they play
La Re Do Never cared for what they do
La Re Do Never cared for what they know
La Re mim But I know

So close no matter...
