Re La Do Sol (x2)
Iam Fa (x4)

Iam Fa Look up here, I’m in heaven
Iam Fa I’ve got scars that can’t be seen
Iam Fa I’ve got drama, can’t be stolen
Iam Fa everybody knows me now

Iam Fa Look up here, man, I’m in danger
Iam Fa I’ve got nothing left to lose
Iam Fa I’m so high it makes my brain whirl
Iam Fa dropped my cell phone down below

Iam Fa Iam Fa Ain’t that just like me

Do Mib Sol Fa# By the time I got to New York
Do Mib Sol Fa# I was living like a king
Do Mib Sol Fa# then I used up all my money
Do Mib Sol Fa# I was looking for your ass

Iam Fa This way or no way
Iam Fa you know, I’ll be free
Iam Fa just like that bluebird
Iam Fa now, ain’t that just like me

Iam Fa Oh, I’ll be free
Iam Fa just like that bluebird
Iam Fa oh, I’ll be free
Iam Fa ain’t that just like me
