

Time after time · Cyndi Lauper

Fa Sol mim Fa (x2)

rem Do rem Do Lying in my bed I hear
rem Do rem Do the clock tick and think of you
rem Do rem Do caught up in circles
rem Do rem Do confusion is nothing new

Fa Sol mim Fa Flashback, warm nights,
Sol mim almost left behind
Fa Sol mim Fa suitcases of memories,
Sol time after...

rem Do rem Do Sometimes you picture me
rem Do rem Do I'm walking too far ahead
rem Do rem Do you're calling to me, I can't hear
rem Do rem Do what you've said

Fa Sol mim Fa Then you say, go slow
Sol mim I fall behind
Fa Sol mim Fa the second hand unwinds

Sol lam7 If you're lost you can look and you will find me
Fadd9 Sol Do time after time
Sol lam7 If you fall I will catch you I'll be waiting
Fadd9 Sol Do time after time

If you're lost you can look...

After my picture fades
and darkness has turned to gray
watching through windows
you're wondering if I'm OK

secrets stolen from deep inside
the drum beats out of time

If you're lost you can look and you will find me
time after time
If you fall I will catch you I'll be waiting
time after time

You said go slow I fall behind
the second hand unwinds

If you're lost you can look and you will find me
time after time
If you fall I will catch you I'll be waiting
time after time

If you're lost you can look...

Time after time
Time after time
Time after time
Time after time
