

## Time stand still · Rush

Si Si La Si - Si Si La Si

do#m I turn my back to the wind

Lasus2 to catch my breath

Mi before I start off again

Si Sisus4 driven on without a moment to spend

Lasus2 Si to pass an evening with a drink and a friend

do#m I let my skin get too thin

Lasus2 I'd like to pause

Mi no matter what I pretend

Si Sisus4 like some pilgrim, who learns to transcend

Lasus2 Si learns to live as if each step was the end

Lasus2 Mi do#m Si

Lasus2 Mi (Time stand still)

do#m I'm not looking back

Si Lasus2 but I want to look around me now

Mi (Time stand still)

do#m see more of the people

Si Si and the places that surround me now

Lasus2 Si Time stand still

Lasus2

Mi do#m Si Sisus4 Freeze this moment a little bit longer

Lasus2 fa#m Mi make each sensation a little bit stronger

Re La Mi experience slips away

Re La Mi experience slips away

Lasus2 Si Time stand still

I turn my face to the sun

close my eyes

let my defenses down

all those wounds that I can't get unwound

I let my past go too fast

no time to pause

if I could slow it all down

like some captain, whose ship runs aground  
I can wait until the tide comes around

(Time stand still)

I'm not looking back

but I want to look around me now

(Time stand still)

see more of the people and the places that  
surround me now

Freeze this moment a little bit longer  
make each sensation a little bit stronger  
make each impression a little bit stronger  
freeze this motion a little bit longer  
the innocence slips away  
the innocence slips away  
Time stand still  
Time stand still

I'm not looking back

but I want to look around me now

see more of the people and the places that  
surround me now

Time stand still

Summer's going fast, nights growing colder  
children growing up, old friends growing older  
freeze this moment a little bit longer  
make each sensation a little bit stronger  
experience slips away  
experience slips away  
the innocence slips away
